Useful Information from the Office of Congressman Tom Tiffany

Requirements:

- Must be a U.S. citizen
- Single
- At least 17 years old (but not 23) as of the date classes begin
- Without dependents (and not pregnant)
- A resident of the 7th District
- **Submit application to my Wausau Office no later than 5 P.M., September 25, 2026**

We encourage you to apply to multiple Service Academies. Typically, we have 1-2 openings for USMA, USAFA, and USNA. We have unlimited nominations for USMMA.

Nomination vs. Appointment

An elected official has a set number of nominations they can make each year. Your nomination by an elected official is NOT an appointment to an Academy. Your nomination is necessary, however, for an Academy to appoint you. Only an Academy can appoint someone to attend.

Medical Requirements: The academies require a thorough medical exam as part of the admissions process. Applicants with less than perfect vision may be ineligible or need a waiver depending on the academy. Few "eye waivers" are approved (the Merchant Marine Academy grants none), so even superior candidates may be rejected for this reason. **The individual academy catalogs should be consulted for each school's requirements.**

ACT/SAT Scores: Your scores on these tests are an important part of your application. If you have not already taken the test you should arrange to take it as early as possible. Please note that at least one of the academies is now requiring the new writing portion of the test. Your guidance counselor can provide registration information. You can have your scores sent directly to my office by listing my code number (ACT: 7760; SAT: 0265) on the test form.

Evaluation Criteria: The academies consider evidence of character, scholarship, leadership, physical aptitude, medical fitness, personal goals, and motivation in performing each nominee's "whole-person" evaluation. These are also the criteria I use to determine nominations.

Pre-candidate Questionnaires: Contact the academy or academies of your choice to request a pre-candidate questionnaire. This is the first step in Admissions Office's evaluation of your record. The results of this evaluation are provided by each academy to members of Congress to assist them in screening their applicants.

Nomination: The nomination process is very competitive. Each elected official is limited in the number of nominations they can submit to each individual academy per year. Each congressional district can never have more than five appointees attending an academy at any one time. For this reason I encourage you to explore all service academy options. I also urge you to apply for a nomination from my office as well as Senator Tammy Baldwin, Senator Ron Johnson, and Vice President JD Vance.

Further information regarding application procedures for these nominations is available through each academy's website. Applying for more than one nomination increases your chances of securing a nomination. More than one nomination, however, is neither required nor helpful in gaining an appointment. If another authority nominates you, please notify me so that I may allow other candidates the opportunity for nomination.
